If we do not receive a response within 2 months of contacting you and the account remains inactive we can close the account and return the funds to your Nominated Account.
- 19.4 When we make a Deposit Account dormant, the funds in the account remain in your beneficial ownership and will continue to attract interest on the same basis as before the Deposit Account was made dormant. Any changes we subsequently make to Interest Rates on Deposit Accounts of the same type will apply to the dormant account and we do not have to notify you personally of this change.
- 19.5 You may contact us at any time if you believe you have funds in a dormant Deposit Account. In the event of a valid claim, we will advise you of the balance of the Deposit Account, the amount of interest that has accrued if any and how you can access the funds.

- 19.6 If we transfer the balance of your account to the unclaimed asset scheme and RFL, you will have against RFL the same right to payment of your balance as you would have had against us if the transfer had never happened. However, we will remain responsible for managing all aspects of the customer relationship with you and for handling all repayment claims (which we will do on behalf of RFL). Therefore, you should continue to contact us in the usual way if you have any queries or complaints in relation to your account or balance.
- 19.7 Both we and RFL participate in the Financial Services Compensation Scheme (FSCS). The transfer by us to RFL of your balance will not adversely affect any entitlement you have to compensation from the FSCS.
